**Business Person and Patron of the Arts,**

We invite you to advertise in the newspaper tab and program for PALOA's upcoming Summer Main Stage production of *Oklahoma!*. Having your company's name associated with the local arts is great for your business as it demonstrates your support for our local community. It is through the support of patrons like you that helps enormously toward the cost of producing our Broadway Style Musical shows.

Your ad could be featured in our combined newspaper tab and show program. 25,000 of which will be printed with 20,000 included in the Peninsula Daily News during mid July and 5,000 that become our show program. Every subscriber to the paper, as well as every audience member who receives our program during the production will see your company's ad **in full color**.
